**The President's Message**

by Mike Burris

We've already had a couple of events happen this year and have even more planned. The Fur Donation hunt was a good time. I was able to hunt with my wife again and we were able to call in two coyotes. We got one right out of prime Antelope habitat. There were about 45 hunters at the check in. With 7 fox, 4 coyotes and 2 bobcats at the check in we all had a good time and it was nice to see George and Cindy.

The Multi Club hunt happened on January 16th and we had a good turn out from APC. There is more on this hunt in Dusty's article. I would like to thank Ray Everidge for doing the chef duties for the evening and also thank Jeff Serdy for providing the prizes for the skinning contest. There was plenty of food for all. Congratulations go to Donnie from XPC on the Lion he brought in. That was the first time there has been a lion at the check in since I've been taking part in the Three Club hunt. I was able to harvest the biggest coyote I've ever gotten in AZ. He was 39.5 pounds, came in right away and was not shy. My 17 REM did a great job! We could not find the hole inside of the hide, but the area that was damaged inside was impressive. My partner and I had three coyotes show up on that stand and we were only about a half of a mile from a ranch house on one side and the local airport boundary on the other side.

At our last meeting we were treated to some great information by Ron Day from the AZ Game and Fish Department. I knew the antelope were being eaten by the coyotes, but it's even worse than I had thought. We have a statewide fawn survivability rate of only 18%. That means at that rate the antelope will disappear from AZ since there were over 4,500 fawns born and only just over 500 survived. That fact spells bad news for the future of the antelope. If you enjoy seeing them you need to help them survive by going calling in the areas where they range. Antelope Eaters hunt put on by the Mohave Sportsman in March is a great way to help. This hunt targets any unit that has antelope tag right before the fawn hit the ground. Time specific site specific works and contest hunting is a tool we can use to get a concentrated number of hunters in a specific area at the same time. For information on this hunt check with myself or Don Martin from Mohave Sportsman Club.

Remember it's time for our elections so if you are interested in a position on the board let us know.

I'm looking forward to seeing you all at the meeting. We have a great guest speaker lined up this month and I always look forward to seeing him.

*Thanks, Mike*

# **Save - A - Fawn Hunt**

**Saturday and Sunday, February 20 - 21, 2010**

February 20th and 21st is the Save-A-Fawn Hunt near Heber. We (APC) are hosting this event and would like as many hunters there as we can get. The game units that we are targeting are 3B, 3C, 4A, 4B, and 5A. We would like everyone to try and hunt these areas if possible.

The check-in will be on the forest road that is at mile marker #301 on state route 260 a mile or so west of Heber. Turn north off highway, watch for the APC signs and continue until you find the trailer.

Check-in will be from 1900 to 2100 hrs, on Saturday and we will provide dinner. Drawings at 9:00PM. On Sunday check-in will be 1200 to 1300 and lunch will be provided. Drawings at 1:00 PM. We will have drawings for prizes, including cash.

There is plenty of space to camp, but if you don't feel like camping, there is the Sawmill Inn in Heber ( 1-928-535-5053 ) or the Forest Lakes Lodge in Forest Lakes ( 1-928-535-4727 ). Forest Lakes is about 15 miles west of Heber on 260.

**Mike Burriss bagged this 39.5 pound coyote during the Multi-Club Hunt. Mike says it is the largest coyote he has taken in Arizona.**

**Mike and Debbie also show their coyote harvested during the January 9th Fur Donation Hunt.**

Cabela's will celebrate Spring Great Outdoor Days on February 13 and 14, 2010 followed by Spring Great Outdoors II on February 27 and 28. Cabela's will have advertising support and participation from national pro staff, contests and give-aways, as well as demos and seminars planned throughout the weekends.
