

# Multi-Club Hunt Results

The Arizona Predator Callers hosted the 2016 Multi-Club Hunt. This annual event had 29 teams of hunters from APC, XPC, and PPCI. XPC won the competition by a bobcat and therefore will be hosting the event next year. Thanks to all of the APC members who participated and thanks especially to Dennis Slade, Kerry Mortensen, John Arterburn, Jerry Thorson, Hank Scutoski, Dusty and Lisa Mosier for their help at the check-in. This year's event was a great success in harvesting predators that prey on other big game species.

John Arterburn talks to three PPCI members who were the first to show up even though they got skunked.

Lisa Mosier checks in the first coyote. Bill Baber's team of Troy Simmons and Dave Pratt were the first ones to bring in a harvest.
